
MEMORY VERSE: “What I am about to tell you is true. Everyone’s sins and evil words against God will be forgiven. But anyone who speaks evil things against the Holy Spirit will never be forgiven. His guilt will last forever” (Mark 3:28, 29, NIrV).

THIS WEEK’S MEMORY VERSE IS ONE OF THE HARDEST IN THE BIBLE. We think about who Jesus is and what He did so He could forgive our sins. But the idea of a sin that even Jesus cannot forgive should make us tremble. He can forgive murder, incest, pride, adultery, theft, idol worship, and words spoken against Himself (Matthew 12:21-32; Ephesians 1:7). Jesus Himself said, “Anyone who speaks evil things against the Holy Spirit will never be forgiven” (Mark 3:29, NIrV).

So, we must ask, what is this sin Jesus cannot forgive? It is hard for us to understand the idea of a sin Jesus cannot forgive because we know that God went through so much to forgive us all our sins. That is why it is so important to study the sin against the Holy Spirit. We all need to study this subject more deeply because if anyone sins against the Holy Spirit, that person cannot be forgiven (Mark 3:29).

SUNDAY—JUNE 11

TO SAVE SINNERS
(1 Timothy 1:15).

Christ hid His godly nature in
human form. He lived on this earth
and died for sinners for the following
reasons:
1. He came to show us what God is
like (John 14:9).
2. He came to be God’s Servant and to
show what it means to be a serv-
ant (Matthew 20:25-28; Philip-
pians 2:5-7).
3. He came to show us how to live
(John 2:6, 1 Peter 2:21).
4. He came to be a faithful and merci-
ful High Priest for us (Hebrews
2:17, 18).

All these things are important. But
they would be meaningless without
the most important reason why Christ
came and died.

What reasons do the following
verses give for the life and death of
Jesus? Mark 10:45; John 3:14-16;
1 Corinthians 15:3; 1 Timothy 1:15;
Hebrews 2:9; 1 John 3:8.

The most important reason why
Jesus came and died was to save us
from eternal death. The great news is
that through Jesus’ work anyone can
be saved who accepts Him. Salvation
comes to all who believe. Those who
believe are then saved from the eter-
nal death Jesus warned about in
Mark 3:29. Jesus talked about the
one sin that could lead to this eternal
death. The rest of this week, we will
learn what that sin is.

ing to whom He was speaking help us understand what He was saying about the sin that cannot be forgiven? Also read Mark 3:22-30.

Jesus' words were not empty words. He was answering several Pharisees\(^5\) who said that He “cast out devils” by Beelzebub (Matthew 12:24). Beelzebub was the prince of the devils. The Pharisees showed a rebellious attitude (feeling) even though they saw proof of Jesus’ power as God. This power showed the holiness of His life. His holy life showed how He supernaturally healed the sick (Matthew 8:14-17; Mark 1:29-34; and so forth). His holy life showed how He cast out devils and raised people from death (Matthew 9:32, 33; Luke 7:11-17).

However, the Pharisees still refused to admit that Jesus was God. By opposing Him, the Pharisees were forced to explain that His works were the work of Satan. Doing so closed their minds to the Holy Spirit. The Holy Spirit brings truth to the mind and heart (John 14:17; John 16:13). The Holy Spirit makes people believe they have sinned (John 16:8). God is very patient and merciful. He does not want anyone to die an eternal death (2 Peter 3:9), but the Holy Spirit will not work with a stubborn heart forever (Genesis 6:3). If people continue to refuse truth, the Holy Spirit will stop leading them. Then they are left in terrible darkness.

This is perhaps the condition Paul was talking about when he described certain consciences\(^6\) as being “seared [burned] with a hot iron” (1 Timothy 4:2). For a person guilty of the sin against the Holy Spirit, probation\(^7\) has closed. For that person, there is “no offering [sacrifice] for sins. All [he or she] can do is to wait in fear for God to judge” (Hebrews 10:26, 27, NIrV).

Based on the lesson so far, how do you understand the sin against the Holy Spirit?

THE SIN THAT CANNOT BE FORGIVEN (Mark 3:29).

Sin means death, but God delights to forgive us our sins. Jesus died so repentant\(^8\) sinners could receive forgiveness. There is one sin that cannot be forgiven. So, that sin leads to eternal death. Accepting God’s goodness leads us to repentance\(^9\) (Romans 2:4), but if we always refuse His goodness, we will finally do the sin

\(^5\) Pharisees—religious leaders of Jesus’ day who believed a person must keep God’s law to be saved.

\(^6\) consciences—a conscience is the knowledge or sense of right and wrong with an urge to do right.

\(^7\) probation—the time people have to accept Christ; when probation closes, people will not change; wicked people will stay wicked, and righteous (holy) people will stay righteous.

\(^8\) repentant—being sorry for your sins and turning away from your sins with the Holy Spirit’s help.

\(^9\) repentance—to be sorry for your sins and, with the Holy Spirit’s help, to want to stop sinning.
that cannot be forgiven.

How do Matthew 12:31, 32 and Mark 3:29 support the idea that always refusing God’s goodness will lead a person to do the sin that cannot be forgiven?

The sin against the Holy Spirit is stubborn refusal to accept what Christ has done for us. This refusal blinds a person’s mind and heart to the Holy Spirit’s leading. Finally, there is full darkness in the soul, and the person is eternally (forever) lost. This is what happened to some of the Pharisees.

Putting one’s self beyond the Holy Spirit’s power cannot be forgiven. This is because we cannot even repent\(^\text{10}\) without the Holy Spirit’s help. However, He will never force us to do anything. We choose to accept His salvation or we choose to reject His salvation.

Read again Matthew 12:31, 32 and Mark 3:29. Notice how Jesus ties the sin against the Holy Spirit to the idea of speaking. Why would He do that?

In the Bible, words are the same as actions. For example, God spoke, and the world came to life (Genesis 1). Jesus Himself is called the “word . . . made flesh” (John 1:14). In the Hebrew language, the most common word for “word” is dabar. Dabar also means “thing,” “history,” “prophecy.” That is because words are connected with the real world they speak about. So, Jesus says that speaking words against the Holy Spirit is the same as refusing to accept the truth the Holy Spirit brings us.

Think about the last time someone hurt you with words. That should help you understand that words are “real” things. Why not ask God now to help you choose your words wisely.

WEDNESDAY—JUNE 14

CONVICTIONS\(^\text{11}\) OF THE SPIRIT (John 18:6, 9).

Read John 16:8, 9. To receive salvation, a person must accept that he or she is a sinner. We cannot ask Jesus to help us if we do not admit that we have a need. One of our greatest needs is a personal

\(^\text{10}\) repent—to say you are sorry for your sins and then to turn away from your sins.

\(^\text{11}\) convictions—the process in which a person is made to believe and admit that he or she is a sinner.
Lesson 12  The Sin Against the Holy Spirit

conviction\textsuperscript{12} of sin. We cannot have this conviction by ourselves. It is the Holy Spirit’s work to convict\textsuperscript{13} us of sin. The Holy Spirit’s very first work is to make sinners know they are sinful and lost. The Holy Spirit is not just the Comforter. He is also the Person who convicts others of sin. He becomes the Comforter to those who have made peace with God by confessing\textsuperscript{14} their sins.

How did Jesus show that salvation is available to a sinner who repents? How did He show that a person who thinks he or she is righteous (holy) is hopeless? Luke 18:10-14.

“We must have a knowledge of ourselves, a knowledge that will lead to sorrow for sin before we can find forgiveness and peace. The Pharisee had no conviction of sin. So the Holy Spirit could not work with him. His soul was hardened by a self-righteous armor. The arrows of God failed to go through that armor. Christ can save only a person who knows that she or he is a sinner.”—Adapted from Christ’s Object Lessons, p. 158.

A person may have a vision of God’s holiness as the prophet Isaiah did (Isaiah 6:5, 6). When a person has such a vision, the Holy Spirit will make that person believe that he or she is sinful. Then that person must admit that nothing but judgment and eternal death awaits him or her if Jesus’ offer of salvation is not accepted. So it is the Holy Spirit’s power that is so important in leading us to Christ. Think about the hopeless condition or people who have refused to be led by the Holy Spirit.

How can guilt be a good tool used by God? At what point does guilt become the devil’s tool? How can we know if the guilt we feel is from God or the devil?

THURSDAY—JUNE 15

REPENTANCE AND THE SIN THAT CANNOT BE FORGIVEN (Psalm 51:1-4).

Sometimes there are church members who are afraid they have done the sin that cannot be forgiven. It is not hard to understand why they are afraid. We all are sinners. If we are not under the Holy Spirit’s control, we can do just about any sin. For a person who has known God and His holiness, that person’s own sin can make that person feel hopeless. Most Christians have had moments of believing that their case is hopeless. Then they believe they have done the sin that cannot be forgiven.

The sin that cannot be forgiven is continually refusing the Holy

\textsuperscript{12} conviction—to know for sure that you have sinned.

\textsuperscript{13} convict—to make a person admit that she or he is guilty of sin.

\textsuperscript{14} confessing—admitting to God that you have sinned and that you feel sorrow for having sinned.
Lesson 12

The Sin Against the Holy Spirit

The doing of a crime or a sin is not a lasting block to salvation. Jesus can save anyone who is willing to accept salvation. His blood can remove any sin and shortcoming. However, we must repent first. Only the Holy Spirit can give us the power to repent. When we repent, we receive forgiveness. We must remember that sin is not something to fool with. Each sin hardens us. We sin because we push away the Holy Spirit. The more we push Him away, the easier it is to push Him away again and again. We always can repent and find forgiveness. The more we sin, the more we harden our hearts to the Holy Spirit. The Holy Spirit leads us to repentance.

So, you see how important it is for us to claim the power of God to cleanse us, to renew us, and to remake us in the image of the Savior (1 Corinthians 10:13; Galatians 5:16; Titus 3:5).

Have you ever felt you were hopeless? Have you thought you were going to be lost even after you had made a decision to follow Christ? What caused those feelings? Why did they finally leave? What did you learn from that experience that could help someone else who feels she or he is hopeless?

“Each impure thought pollutes the soul. It prevents the person from choosing what is right. It removes the leading of the Holy Spirit.”—Adapted from The Desire of Ages, p. 302.

“If people always refuse to accept God’s leading, they will lose the ability to recognize goodness. Their moral values are so twisted that evil to them is good and good to them is evil. Even when Jesus challenges them, they do not know their sins, so they cannot repent and be forgiven. That is the sin against the Holy Spirit.”—Adapted from William Barclay, The

**DISCUSSION QUESTIONS:**

1. Imagine working with someone who believed he or she had done the sin that cannot be forgiven. What have you learned from this week’s study to help that person find hope and forgiveness?

2. What examples can you find in the Bible of people who have done the sin that cannot be forgiven?

3. Review Barclay’s quote from the previous page. What is he describing? Why is this a danger for everyone, even those who claim to be Christians?

4. As a class, pray together that each member will surrender more to the Holy Spirit’s leading.
